

# SAP 2025 Co-SPONSORSHIP BROCHURE

## Symposium on Advanced Photonics (SAP 2025)

November 16–18, 2025 | Indian Institute of Technology Indore, India

### About SAP 2025

SAP 2025 is a premier scientific event organized by the Optoelectronic Nanodevice Research Laboratory (ONRL) and Centre for Advanced Electronics (CAE), IIT Indore, with support from Optica Student Chapter (formerly OSA), IEEE Photonics Society (Madhya Pradesh Section & Student Chapter), and leading industry partners. The symposium brings together scientists, engineers, and industry leaders to explore breakthroughs in photonics and related fields.

### Event Highlights

- ❖ 3 Days: Talks, posters, and industry sessions
- ❖ Plenary Talk by a world-renowned expert
- ❖ Keynote and invited talks by leading academics and early-career faculty
- ❖ 50+ poster presentations and contributed research sessions
- ❖ Industry exhibitions and technical talks
- ❖ Best Paper & Best Poster Awards

### Focus Areas

❖ Semiconductor Photonics	❖ Silicon Photonics	❖ Microwave Photonics	❖ Optoelectronic Devices
❖ Plasmonic & Metamaterials	❖ Optical Fiber Communication	❖ Optical Sensors	❖ Quantum Optics

---

## Why Co-Sponsor SAP 2025?

- ❖ **Brand Visibility:** Logo on all official materials and digital platforms
- ❖ **Industry Engagement:** Poster, Technical session and booth opportunities
- ❖ **Network:** Meet with researchers, clients, and future collaborators
- ❖ **Recognition:** Special acknowledgment at major sessions

---

## Sponsorship Packages

Tier	Amount (in Rupees)	Logo Placement	Exhibition Space	Speaking / Workshop Slot	Free Passes	Other Benefits
Platinum	1,00,000.00 and above	All materials + website	Premium booth	Industrial & Poster Session	4	Press features, all promos
Gold	50,000.00 and above	Program + website	Standard booth	Industry Session	2	Social mentions
Silver	30,000.00 and above	Website only	Shared table	-	1	Web acknowledgment
Custom	By discussion	By discussion	By discussion	By discussion	By negotiation	Flexible options
