**OFFICE MEMORANDUM**

**Subject:** Deputation of Multi-Sectoral Central Team to examine the root causes of increasing trend of natural disasters events in the State in the recent years – **Himachal Pradesh.**

The undersigned is directed to say that it has been observed that the State has witnessed an increase in the frequency and intensity of cloudbursts, flash floods, landslides and torrential rainfall events, causing widespread loss of life, damage to infrastructure, livelihoods and environmental degradation in the State. To understand the root causes of the increasing trend of natural disasters in the State in the recent years, it has been decided to depute an Multi-Sectoral Central Team of Experts with the objective of:

*“to examine the increasing trend of disasters in the State, find out their root causes and suggests remedial measures based upon scientific evidence/ analysis to the State and Central Government”.*
